

Your Century Club Contribution Makes a Difference!

Become a member of the SCGS Century Club by donating!

Your check in any amount enables us to continue operating our exceptional library of over 30,000 printed books and journals, most of which are not available online.

Thanks to your generous contribution, online webinars and programs presented by nationally recognized genealogists are produced throughout the year, and subscription databases are available for use from home.

You are invited to join in-person events at the library, such as specific interest group meetings and the quarterly Member2Member gathering, where people help each other with their family history research.

[Consult our calendar \(http://calendar.scgsgenealogy.com/\)](http://calendar.scgsgenealogy.com/) for a schedule of webinars, meetings and events.
